Capital Group Properties is a full service real estate development company headquartered in Southborough, Massachusetts. Capital Group Properties specializes in the permitting, construction and property management of commercial, residential, retail, and industrial developments throughout Massachusetts. Retail projects currently completed include Northborough Crossing – Phase II, Sharon Marketplace, Oxford Crossing and Whites Crossing in Southborough, MA

LeCesse Development Corp. is a multi-state developer and owner of multifamily properties across the eastern United States, with over \$2.5 billion of completed income producing projects. As a well-respected real estate developer, LeCesse's award winning properties have maintained a reputation for quality in design and construction. Currently headquartered in Altamonte Springs, FL, LeCesse Development is focused on the ground-up development of multifamily communities, partnering with institutional equity partners from across the country.

Developing senior living options is not only about construction and design, but about bringing people together and establishing a real sense of community, connection, and friendship. In 2000, a group sharing these ideals formalized Hawthorn Retirement Group to pursue the development and operation of senior communities throughout the U.S. and abroad.
